

# Notice of Non-Discriminatory Policy as to Students

We member schools of the Association of Independent Schools in New England reaffirm our long standing policy of nondiscriminatory admission of students. We admit students of any race, color, religious affiliation, national and ethnic origin and qualified handicapped students to all rights, privileges, programs and activities generally accorded or made available to students at our schools. We do not discriminate in violation of any law or statute in the administration of our educational policies, admissions policies, scholarship and loan program, and athletic or other school administered programs. Applications for Fall 2012 admission are now being received. Information and school catalogues may be obtained by calling the schools.
